Excite the Senses Culinary Theme Cruises

Celebrity Cruises will celebrate the best of best by showcasing their incredibly talented Culinary Team alongside some of their renowned wine and spirits partners. The programming promises to be fun, interactive and memorable providing an enriching experience that will extend beyond your cruise vacation. Learn how to host elegant afternoon teas and unforgettable cocktail parties. Discover the harmony of food and wine pairing.

Focus on local products that are purchased in port at local markets, brought back to the ship to both celebrate the local culture and demonstrate the importance of using the local bounty to create the food and wine experience at home.
