# Ports of Call

## **Puerto Montt, Chile**

Gateway to the scenic Lake District, a series of fragrant eucalyptus and pine forests, icy lakes, Bavarian hamlets and luminous snowcapped volcanoes. *Sample shore excursions: Alerce Mountain Lodge & Lake of Reflections; Petrohué Rapids & Frutillar.*

## **Puerto Chacabuco, Chile**

Here in the heart of the Chilean archipelago, discover stunning scenery: dense rain forests, bright-blue lakes and snow-covered mountain peaks. *Sample shore excursions: Sights of Patagonia; Lake Elizalde Adventure*

## **Chilean Fjords**

Fjords more spectacular than those in Norway or Alaska? See them here along the southern coastline of Chile . . . a 1,000-mile maze of virgin-forested islands, glistening glaciers and more fjords than in all of Scandinavia.

## **Canal Sarmiento**

Be among the lucky few to spend a glorious day scenic cruising through Tierra del Fuego and the snow-capped peaks and ethereal blue glaciers of Canal Sarmiento. Cutting through Chile's Torres del Paine National Park, this majestic waterway is surrounded by other-worldly beauty. Enjoy breakfast or lunch on your private verandah and watch as Amalia Glacier comes into view and witness countless seabirds that make their home in this dramatic landscape.

## **Punta Arenas, Chile**

This remote town, pioneered by Yugoslav settlers and sheep ranchers, sits on rolling hills overlooking the Strait of Magellan. *Sample shore excursions: Torres del Paine National Park; Antarctica: A Spectacular Flyover; Scenic Patagonia.*

## **Ushuaia, Argentina**

The southernmost town in the world, where dominating peaks loom on three sides; the fourth opens to the Beagle Channel, where sea lions bellow and king crab rules. *Sample shore excursions: Tierra del Fuego National Park; Penguins & Beagle Channel.*

## **Cape Horn**

Magellan's fleet first circled this massive, treacherous rock at continent's end, and until the Panama Canal was constructed, this was the main shipping route from the Atlantic to the Pacific.

## **Wilhelm Archipelago, *Antarctica Experience***

Anvers Island (Palmer Station), Cuverville Island, Petermann Island

Skirt jagged ice cliffs to Anvers Island, home of the U.S. Biological Research Center, Palmer Station. (Perhaps we can entice the scientists to come aboard the *ms Veendam* to share their findings.) Next: the wide cobbled beaches of Cuverville Island, home to Antarctica's extensive colony of gentoo penguins. And Petermann Island, where French explorer/scientist Dr. Jean-Baptiste Charcot studied a colony of Adélie penguins during the winter of 1909.

## **South Shetland Islands, *Antarctica Experience***

Deception, Livingston & Half Moon Islands (Scenic Cruising)

Don't be deceived: Deception Island is really the crescent-shaped caldera of a volcano active enough to heat Antarctic waters to bathwater temperatures. The *ms Veendam* will sail right by the crater, where several colonies of chinstrap penguins make their home on the black-sand beaches. More surprises await at Half Moon Island where whales are often seen patrolling the shores; and Livingston Island, home of huge elephant seals.

## **The Antarctic Sound, *Antarctica Experience***

Hope Bay (Esperanza Station), Paulet & Elephant Islands (Scenic Cruising)

At Hope Bay the scarlet chalets of Esperanza, an Argentine military and scientific station, stand in stark contrast to the white ice. On Paulet Island as several million Adélie penguins nest on every available beach. And at Elephant Island, hear the riveting account of Shackleton's ill-fated expedition and the crew's heroic daily struggle to survive.

## **Pt. Stanley, Falkland Islands**

Scotland under the Southern Cross: moorlands, pubs, red phone booths, sheep ranches, a "cuppa tea." Plus penguins of every type: gentoo, Magellanic, king. *Sample shore excursions: Stanley Highlights; Sparrow Cove Penguin Adventure.*

## **Puerto Madryn, Argentina**

Situated in rugged Argentine Patagonia, Puerto Madryn was founded by Welsh immigrants in 1865. Enjoy a famous Welsh "tea" in the village of Gaiman; journey back in time 300 million years at the Paleontology Museum of Egidio Feruglio in Trelew; and see colonies of sea elephants, sea lions and seals in their natural habitat at Punta Norte. *Sample shore excursions: Punta Tombo Penguin Adventure; Peninsula Valdes Natural Reserve; Puerto Madryn Private Touring.*

## **Montevideo, Uruguay**

Friendly and genteel, Montevideo honors colonial customs: long lunches, siestas, high tea. Nearby: Colonia del Sacramento, the oldest city in Uruguay (ca. 1680) and a UNESCO World Heritage Site. *Sample shore excursions: Colonia del Sacramento; A Gaucho's Life.*

## **Buenos Aires, Argentina**

In the "Paris of South America," find ten million *portenos* passionate about *futbol*, tango and theater at midnight. A short flight away, Iguazu Falls roars in the jungle as an optional pre-purchased tour.
